### ~A Message from Our Mayor~

The Town's 3<sup>rd</sup> annual Prairie Days was a great gathering of community! There was juggling and face painting, along with music and food trucks. We would like to thank the entertainers and vendors that participated in this year event. If you have any ideas that you feel would be fitting for future Prairie Days or other town events you can contact Meag in town hall at [clerk2@townofsp.com](mailto:clerk2@townofsp.com)

We are working on big things at town hall and would love your feedback and participation. South Prairie is pursuing Wastewater funding. The Town is addressing the repair and replacement of various components of the wastewater system. In order to determine the Town's eligibility for improvement funding, and other funding alternatives, we have partnered up with the Rural Community Assistance Corporation (RCAC) to conduct a **confidential** income survey of our community. Due to survey methodology, RCAC needs as close to a 100% response rate as possible from the community for the survey to be valid. Your participation in the income survey is key to funding eligibility for the crucial repairs needed. If you received an income survey from RCAC, please respond ASAP or you can fill out the form as RCAC will be doing Door-to-Door survey collections on Saturday, September 9<sup>th</sup>.

The South Prairie Comprehensive Plan Update is an overall plan that guides the Town's growth and development for 20 years. This plan consists of several elements including land use, housing environment, parks, and utilities. Public input is important to the town's growth and development. If you would like to contribute your thoughts into this plan please scan the code to be directed to our comp plan community survey.

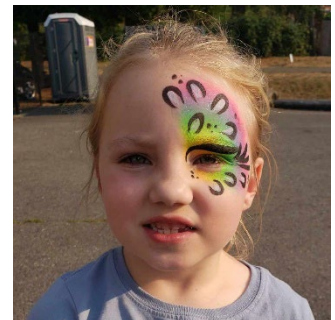

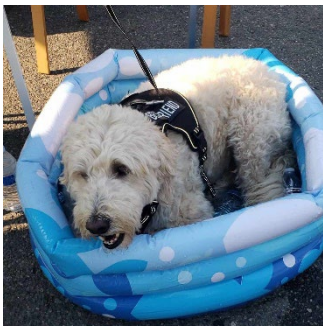

If you would like to have more information on the RCAC Income Survey or the Comprehensive Plan Update please contact Town hall.

Quick reminder – the town contracts with the Pierce County Sherriff's department for law enforcement needs. If you witness an urgent and immediate safety situation please call 911 regarding road blockages, vandalism, suspicious behavior, etc. If you would like to report other code violations or non-urgent concerns please contact town hall.

*Mayor Carolyn Norris*

Thank you for attending South Prairie's 3<sup>rd</sup> annual
