

Income Survey Questionnaire

The Town of South Prairie needs improvements to address wastewater system challenges. The results of this income survey will be used by funding agencies to determine the Association’s eligibility for grants or other optimal funding alternatives. Because of survey methodology requirements, **we need close to a 100% response rate** from the community for the survey to be valid, therefore your participation is very important! The information collected will be **strictly confidential** and will only be used by the third-party technical assistance provider Rural Community Assistance Corporation (RCAC) for the purpose of this survey.
