2nd ANNUAL PRAIRIE DAYS IS COMING IN AUGUST

The Town Council has again approved a Prairie Days community picnic on Saturday, August 27 from 2:00 p.m. – 9:00 p.m. This year's event is shaking out to be even better than last year! The daffodil Princesses will be there, we have amazing prizes from places like the Tacoma Art Museum, King County Fair, the Puyallup Fair, Maris Farms, Wild Waves, Museum of flight, just to name a few.

We are in the planning stages and wanted to put the word out. We are also looking for volunteers to assist with various games and activities. If you are interested in volunteering, you can access the survey regarding the event by using the scan code provided. It will ask you what you want to do as a volunteer and other questions to aid us in finding a few volunteers.

Cash donations are happily accepted and we encourage Town businesses to find creative ways to get involved. Last year, businesses and community members donated goods and services that can be game prizes and give-away items for the event or even items we can add to the kids' goodie bag. Some also donated cash, which paid for things like the balloon twister and band. If you wish to support this awesome event, we'd love to hear from you **sooner than later**. Knowing how you plan to support the event will help us get our ducks in a row. A big thank you Murrey's Disposal, Honey Bucket, Coast Exteriors and Carports of Washington for already donating to this year's event!!

If you are interested in supporting our 2nd Annual Prairie Days, please contact Meag at Town Hall via email at clerk2@townofsp.com or phone at 360-897-8878. We are excited to spend time with our neighbors, enjoy some music, grab a bite and/or a beer from a local food vendor/truck, play some games, meet your Town officials and just enjoy this wonderful little community together. This year we will have a DJ early in the day followed by the band for the last few hours. More details will be provided in your newsletters each month. STAY TUNED!!

FALLEN SERVICE MEMBER LEGACY PROJECT

To honor and memorialize the fallen heroes of Washington's 8th Congressional District, the office of Congresswoman Kim Schrier is collecting information and photographs of fallen veterans to display on a virtual wall of portraits in commemoration of Memorial Day of 2022.

The Fallen Service Member Legacy Project webpage launched on Memorial Day, May 30, 2022. Veterans from any campaign or military operation will be accepted so long as they were based in Washington's 8th Congressional District and a photo is available to display. A submission portal is open on the Congresswoman's website (www.bit.ly/8thvets). Please contact Chelsea Rivas at 425-657-1004 with any questions.

IMPORTANT UTILITY BILLING INFORMATION

****Watch out for scammers pretending to be your utility company. If someone calls you and threatens to shut off your service without an immediate payment, hang up and call the number on your bill. This applies to all of your utility providers. ****

MAKE SURE YOUR PAYMENT IS PROCESSED CORRECTLY: Please only use **black** or **blue ink** on your checks. It is also important to **include your account number** on your check/money order and **do not staple checks**. To make sure your payment is applied to YOUR account correctly, make sure the account number is clearly and correctly displayed on the check/money order. Please make sure the payment amount in full, including **dollars and cents**, is correct on your check. Submitting a payment, even a few cents shy of the total amount due, can **trigger a late fee**. Please use the Town's correct mailing address of **PO Box 870**. Payments sent to Box F need to be updated to PO Box 870. The post office will discontinue forwarding mail sent to the old PO box at some point and your payments may not be received.

NEED ASSISTANCE: There are numerous resources to assist South Prairie residents in paying utility and other bills and expenses. Pierce County has several resources including the Community Action Program at 253-798-6266 and the Human Services division at 253-798-4500. Plateau Ministries is also an option at 360-825-8961. Washington 2-1-1 is your free connection to vital services including access to food, transportation, health care and much more. Just dial 211 to find help. Most churches also offer assistance.

TOWN PARKING

There have been a number of parking complaints and violations occurring in Town. This issue has begun to be addressed by our code enforcement officer, as explained in numerous newsletters over the last year. We have started marking vehicles in violation. If the violation is not addressed in compliance with our municipal code, vehicles will be towed and stored at the owners' expense. We've also had some near misses due to people parking in areas that make it difficult for drivers to see and pull into traffic safely. Please do not park in any of the red zones (curbs are painted) in Town. The curbs are marked red to let drivers know where it is safe to park in order to keep folks from creating blind spots and other dangerous conditions for traffic and pedestrians.

At the post office, the no parking sign on the road is there to make sure the fire hydrant remains accessible. Please observe all of the no parking signage and regulations as well as curb paintings to avoid being towed and creating safety issues. Illegal parking falls under the purview of the code enforcement officer and will be enforced. Thank you for your kind cooperation.

WATER/SEWER/SEPTIC SYSTEM EMERGENCIES

The Town's sewer system has seen an increase in non-flushable items. Only toilet paper and waste from the human body should be flushed down the toilet. Even items that say **flushable**, like hygiene/disinfecting wipes, should **not** be flushed. Other unsafe items include:

- Disposable diapers
- Sanitary napkins or tampons
- Paper towels or bandages
- Dental floss
- Condoms
- Hair
- Cigarette butts
- Coffee grounds
- Kitty litter

Let's all do our part to keep our system the best it can be. **It is also very important that you not park vehicles on top of water meters or block them in any way.** As always, with water, sewer and septic utility emergencies, contact Tony Caldwell at (360) 947-4734. We hope this finds you and your family safe and well!
