WATER/SEWER/SEPTIC SYSTEM (SAVE THIS INFORMATION FOR FUTURE REFERENCE)

The Town's system has seen an increase in non-flushable items. Only toilet paper and human waste should be flushed. Even items that say **flushable**, like hygiene/disinfecting wipes, should **not** be flushed. Other unsafe items include:

- Disposable diapers
- Sanitary napkins or tampons
- Paper towels or bandages
- Dental floss
- Condoms
- Hair
- Cigarette butts
- Coffee grounds
- Kitty litter

Let's all do our part to keep our system the best it can be. It is also very important that you not park vehicles on top of water meters or block them in any way. **As always, with water, sewer and septic utility emergencies, contact Mayor Tony Caldwell at (360) 947-4734. He is the Town contact for these issues.** (detach below & save)

UTILITY BILLING INFORMATION

Please only use **black** ink on your checks. Other colors do not work in the check scanner and show as blank checks once scanned. The bank cannot accept them that way, for obvious reasons. Please always **include your account number** and **do not staple checks**. Stapled checks can sometimes tear when the staples are removed and they jam up in the check scanner. Please **do not tape checks** for the same reason. Please make sure the payment is made in the full amount. **Beginning October 1, 2021, the Town will begin charging late fees** so make sure your payment is received **no later than the 19th** of the month and that it is for the full amount shown on the bill. Submitting a payment, even a few cents shy of the total amount due, can **trigger a late fee**. Please use the Town's correct mailing address of **PO Box 870**.

PRAIRIE DAYS COMMUNITY PICNIC

Wow, what can I say but wow. A great time was had by all. This event was an example of true teamwork. From the Mayor and Council, to contractors like Murrey's Disposal and Honey Bucket, to our own local business folks like M & T Smoked Meats and Sowin the Seed Farm, there was so much support for this event. Even our town folks stepped to offer a hand with set up and clean up. We will be sending a formal thank you on behalf of the Town soon to each of those who

supported and sponsored the event. We just wanted to give everyone who attended, supported and helped out a shout out. I will also be posting pictures on the Town website townofsp.com under the "What's Happening" tab. ***If you missed it and would like some Town swag that was handed out at the picnic, stop by Town Hall and see Terri, until supplies last.***
