ANIMAL CONTROL SERVICES & COMPLAINTS

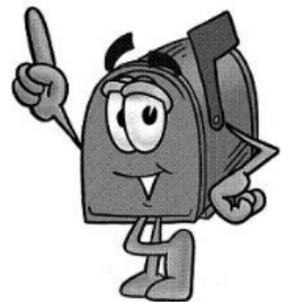

Animal bites, animals running loose, cruelty reports, injured animals and vicious animal complaints. Pierce County Animal Control (PCAC) provides services to South Prairie residents for most all animal related issues. Should you have any animal issues, please contact them directly at 253-798-PETS or online at piercecounitywa.gov/3966/Animal-Control-Home. There you can report animal related concerns.

Barking Dogs. The reporting party must provide the address for the suspected dog owner and the details of the problem when reporting an issue. Upon receiving the first complaint for animal noise, PCAC will issue a warning letter to the pet/property owner informing them of the complaint, what municipal code they are violating and what the fines will be assessed should the noise continue. Upon receiving a second complaint, an Animal Control Officer will respond in person to make contact with the owner. Noise affidavits/barking logs will be sent to the complainant so that they can log dates and times when the noise is happening. Once affidavits are returned to PCAC, an Animal Control Officer will review the logs and issue infractions. They do not take anonymous complaints for animal noise.

Roaming Animals. An Animal Control Officer responds on the first complaint. An area check will be completed to try locate the animal so a good description of the animal must be provided at the time of the call. If the owner is known, an Animal Control Officer will make contact with the pet owner, a warning will be issued and the animal may be impounded. If owner is unknown, the pet will be impounded. Upon the second complaint, if the officer does not see the animal loose, the caller will be requested to get a photo of the loose animal and complete a handwritten statement in order for an Animal Control Officer to take action. If the Animal Control Officer sees the dog loose, he/she can impound the animal and/or issue infractions to the owner on the spot. It is up to the officer to decide what action to take.
